

INTERVIEWING OTHERS (IOGC) © Voice Business

Great for anyone...who wants to successfully interview others.

Purpose:

This course is for Managers, Human Resource staff, Personnel recruiters and general Supervisors who need an understanding in best practice for interviewing others.

This is a group course but can also be offered on an individual basis.

On completion of this course you should be able to conduct well-prepared, effective and considerate interviews.

© Voice Business 2002-2010
