

VOICE COACHING FOR KIDS (VCK)

© Voice Business

Great for kids...who want to sound good.

This course is designed to teach you how your own voice works and how to speak well. Learn how to sound clear and interesting, slow down, speed up, get louder, get softer, open your mouth, open your mind and talk brilliantly - whenever and wherever you are - such as speaking in front of a group at school, talking on the telephone, or when speaking to a another person, relative or a friend. Hey! Learn to sound great...It's cool to communicate!

© Voice Business 2002-2009

What you will learn:

These are private sessions designed with you, your family and your school in mind. **In them you will learn...**

- How to improve the sound of your voice and speak confidently.
- **How to sound convincing, authoritative and persuasive.**
- How to project your voice in all sorts of meetings and situations.
- **How to match your tone with other people's and masterfully lead them into listening to what you've got to say.**
- Breathing techniques to help you keep cool when the pressure "hots up".
- **Learn how to speed up or slow down, and how to use inflections and pauses to make what you say more interesting.**
- How to improve your diction and pronunciation.
- **How to deliver a clear message and get the results you want.**
- **And much, MUCH more!**
